

DOUBLE YOUR DONATION

At Assistance to the Elderly, Inc., we're dedicated to enabling low-to-moderate income vulnerable adults to lead meaningful and dignified lives by providing supportive housing, services, community education, and advocacy. An easy way to double your contribution is through employee giving programs.

Many corporations match employee donations (or the tax-deductible component of your membership) to our organization.

If you volunteer with us, your employer may also provide us with a grant as a way to recognize your ongoing support.

Thanks for checking to see if your company offers these programs!
