&

Name of Family Member

In the event of an emergency evacuation of the facility, the above referenced party agrees to provide shelter for the resident named below, on a temporary basis, until re-entry into the facility is indicated.

Resident's Name

Unit #

While we have planned ahead for any disaster possible, we can not guarantee that our agreements can be honored in times of disaster. We believe that the needs of our residents best be met by their loved ones during the temporary transition that would be created by an evacuation.
